SHOWCASE OF EXCELLENCE

Villa Artimino, January 12, 2015

Ducal

Ducal is synonymous with style that goes beyond the trends, and is characterized by the most current nuances in Italian elegance; as well as being one hundred percent Made in Italy. Style of Ducal is recognizable immediately.

SH

STEFAN HAFNER

Stefan Hafner's jewels are dreams of light that become high jewellery pieces with the purest stones and excellent Italian craftsmanship. The collections are known all over the world for their sophisticated elegance, timeless value and peculiarity in the construction of the jewels similar to embroidery of gold, diamonds and precious stones.

Sciamat

The House of Sciamat is distinguished by its original forms and cuts derived from the authentic classic taste and present the result of the study and research of a concept of dressing that, rather than keeping pace with the times, intend to combine experience acquired over the years.

DUCCIO VENTURI
BOTTIER

Duccio Venturi is another participant that will make ladies happy, with its collection of superbly designed ladies shoes. Their designs are simply addictive, crafted with the finest leathers in extravagant, yet functional, models. Elegance and style are immediately recognizable trademarks of this amazing brand

*bongio*CASA

Star of the Artimino Showcase of Excellence is BONGIO CASA, with its spectacular furniture pieces and one of a kind trunks for all precious items. As explained by its creator Alessandra Bongio it is a fruit of dreams that becomes new projects. So, Bongio casa is born to be a distinct sign in the new design.
